### Payment or Application for Scholarship

You have the option in the conference registration process to indicate whether you would like to apply for a scholarship.

If your answer is YES, there will be a [link to the online Scholarship Application form](#) in the registration confirmation email that you receive after submitting your registration. You will receive a Scholarship Confirmation Letter within one week after your Scholarship Application is submitted.

If your answer is NO, you will be invoiced for the conference registration fee. If you would like to pay by credit card, please call the Oregon Transit Association at 503-601-5336.
